Description

Antique 1901 Waltham full hunter pocket watch. The watch has a stem-winding movement Traveler grade which is working well. The movement is signed American, Waltham, U.S.A Traveler and the serial number 10634364 which dates it back to 1901. The movement is protected by an inner hinged cover. The watch itself measures 52mm diameter excluding the winding stem and the loop. The case is gold filled and was made by the Dennison Watch Case Company. The case has light surface marking from use and a few small "dings" to the front and back covers but overall it is in nice condition for a 1900s piece. The winding crown pushes in to open the front cover. Inside there is a glass lens which is in nice condition. The signed dial is in nice condition. The watch has its original gold hands and a blued steel sub seconds hand. The watch will be sent in a new presentation box.
