Description

Really decorative and very unusual French Louis xvi style dressing table with a hinged top mirror and good further storage and an additional pull out slide for more surface space. Beautifully painted with a Classical scene and floral garlands. Very elegant piece of furniture and something that could work well as a dressing table, but also a decorative side table or hall table perhaps. The condition to the original paint is good with some minor signs of age and use. I am continuing to clean the top surface, so will update the photos when completed. Measuring: 29" or 74cm high 29 1/2" or 75cm wide 16 1/4" or 41cm deep When open 43" or 109cm high 46 3/4" or 119cm wide Kneehole 24" or 61cm high
