Description

A nice pair of silver napkin rings of classic convex curved circular shape, hallmarked for Sheffield, 1912, maker William Hutton & Sons Ltd. They come in a well fitting, velvet and silk lined morocco leather case with Harrods retail label. I think it is likely not original but suits them well. They measure 5cm (2") wide and 2.3cm (15/16") deep. They weigh 35g/1.1ozt in total. Condition is very good with no damage or dents and light surface wear. The case is in very good order, just a couple of minor scuffs outside.
