Description

Good set of 3 early C19th George IV period brass-handled steel fire-irons . Decorative and practical set of late Georgian steel fire-place tools with decoratively-cast brass handles with strap-work and leaf decoration. Comprising of a hinged pair of tongs , a poker and a shovel with shaped and decoratively pierced blade. A set of period fire-irons of sophisticated design in excellent original and serviceable condition , have been sympathetically cleaned and polished , providing a pleasing contrast between the steel and brass elements.
