These style of beds that scream the Art Deco style are very few and far between and anyone who loves this era or collects from it will know this too. The intricate veneer patterns which create the iconic 'Sunray' design add the stepped ebonised plinth really makes the wow factor. All you need is a mattress and bedding and you're good to go. this bed is a standard English double in size. We photographed the bed in natural daytime light so you can get a true idea of it's colouring which is a warm mid tone walnut brown with hints of honey.
