Description

An attractive antique pine chest of 3 drawers, each with the original brass handles and key escutcheon. The surface top has a wavy edge, as does the bottom drawer, and there are some nice detail to the sides and finally its stood on pretty bracket feet. It dates from c.1920, and is in good condition for its age. Recently stripped to the bare wood ready for waxing or painting - in our opinion this would look very nice painted. Please contact us for a quote for painting. Height 32.5", width 43", depth 21"
