Depth = 17 cm (6.7")

Description

This attractive brass & steel desk or bankers lamp transforms a period office interior. It has been professionally and sensitively restored and has been fully tested to the required safety standard. When ever possible Culvertons undertake the carriage of items within London and the home counties. Professional, competitive and trusted couriers and shipping companies are engaged for deliveries for the remainder of our customers. Smaller items, when instructed, will be carefully parcelled and securely sent by carrier. We do strive to accurately describe and illustrate our stock within the 'Selling Antiques' website. However we do understand that it is not always possible to judge from photographs how an item will look within the home or garden. For this reason if notified within seven days from date of delivery we offer a full refund (less any agreed carriage costs) once the item has been returned.
