Description

A fine quality Edwardian mahogany side cabinet by the renowned makers, Shapland and Petter of Barnstaple (stamped to locks "S & P, B", registration marks to rear). Made from a very high grade of dense mahogany timber, now with a lovely depth of colour and finish. The decoration comes in the form of satinwood inlaid detailing, including a central oval panel and paterae. A pair of glazed doors flank a central panelled door and there is a single drawer above surmounted by a pagoda top. All doors and drawers are fitted with the lovely original brass handles. The end cabinets and the central cupboards have shelves inside. The cabinets are fitted with their original lining material which is now somewhat stained, we can get this replaced with a new lining material of your choice. This fine quality cabinet is offered for sale in overall excellent condition and would adorn any home. Dimensions Width 137cms Depth 44cms Height 148cms Shapland & Petter was a Devonshire company whose Arts & Crafts furniture is at last receiving the recognition it deserves. Critics have argued that their furniture was machine manufactured, and thus does not qualify for the title of Arts & Crafts. ...
