Description

A beautifully made original Art Deco period lamp, dating from the 1920-30's. This is made from birds eye maple and walnut, and it has a very interesting design, with the walnut inlaid in a spiral pattern around the maple. We have had this stripped and re-polished to a very high standard, the condition is superb throughout. It's also been re-wired and PAT tested, and is in good working order. Width - 38 cm , 15 inches Depth - 38 cm , 15 inches Height to bulb socket - 155 cm , 61 inches Height to shade - 180 cm , 71 inches
