Description

Antique 1905 Waltham full hunter pocket watch. The watch has a stem-winding movement Traveler grade which is working well. The movement is signed American, Waltham, U.S.A Traveler and the serial number 14405856 which dates it back to 1905. The movement is protected by an inner hinged cover. The watch itself measures 50.6mm diameter excluding the winding stem and the loop. The case is 10ct gold filled and is the Moon model made by the Dennison Watch Case Company. The case has light surface marking from use but overall it is in nice condition for a 1900s piece. The winding crown pushes in to open the front cover. Inside there is a glass lens which is in nice condition. The signed dial is in nice condition. The watch has its original gold hands and a blued steel sub seconds hand. The watch will be sent in a new presentation box. ALL OF OUR PRICES INCLUDE UK AND WORLDWIDE POSTAGE. All of our watches are checked over before listing and are also checked for accuracy which is usually within around +/- two to three minutes over 24 hours (unless otherwise stated), which is considered respectable for a vintage watch. We are a VAT registered company and all purcha...
