## Description

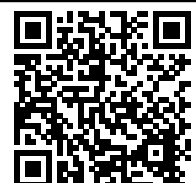

Circa 1900-1930 this beautifully made bronze wall bracket is in very good condition and weighs 1.5kgs. The arm measures 36cm across and the back plate wall fitting is 30cm long with six ready made drill holes. It hasn't been easy to photograph and show how well made it is. There are no signs of damage or repair and it has been lightly polished but not lacquered. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad, please contact us for a delivery quote.

Internal Ref: 1502
