Description

Here we have an exceptional Faux Bamboo Carriage clock with push repeat and hourly striking by the famous Henri Jacot. A matt gilt masked dial compliments the front of the clock. Bevelled glass panels to all sides. The clock has been fully overhauled and is now for sale with a full 24 month guarantee. The clock is stamped with the Jacot stamp and also has the oval stamp of Jacot between the plates. The number of this clock is 9527. The clock retains the original outer leather covered carry case with gilt serial number matching the clock. A fine polished brass case which we have chosen to leave rather than re-polish as it's very attractive with a little 'patina'.
