Description

This is an absolutely beautiful antique hallmarked sterling silver dressing table mirror measuring 18" (46 cms) tall x 14" (36 cms) across and hallmarked for London 1911 with the silversmiths mark for William Comyns. All the silver is in very good condition with no damage and the mirror is also in great condition with just a couple of minor marks which don't affect use at all. The frame is decorated all round with urns of flowers on each of the top corners and a larger urn at the top in the centre. This is a super example in excellent condition for its age and also a very good size.
