Description

For your consideration are these Art deco matching pair of table lamps. Both lamps depict a 2 dimensional female nude which supports a torch flame opaque glass shade. The body of the lamp seems to be a dulled chrome as opposed to the gallery which is bright chrome and in excellent condition. Much taller than the average lamp and would make ideal lighting for sideboards etc. Both lamps have a weighted base and a new felt lining has been added to protect tops. Good vintage condition with just minor signs of age. FREE UK delivery. You can view these lights and hundreds more original art deco pieces at www.artdecoworld.co.uk
