Description

This stunning letter opener is as beautiful and useful, a pleasure to use each day while opening the daily mail. The handle is quite stunning, a plethora of repousse scroll work with a pierced lattice end surrounded by floral motifs. This handle I suspect is Victorian, around 1880 and has been paired with this much earlier blade dated London 1825. There is a cartouche each side with a decorative monogram one side, I think L J M. Excellent condition measuring 8 3/4" in length. Item ID: 31706 ----- FREE Worldwide Registered Airmail, Insurance Optional.
