Description

GILLOWS of LANCASTER: a stunning quality HALL or circular DINING TABLE in lovely original condition. The beautiful top is "book-matched" veneered in "Gonzales Alvez" timber, much favoured by Gillows, with a shallow frieze embellished with beaded decoration to the lower edge. It is supported on a solid and most impressive vase-shaped central column with fluted gadroon carving, and a gadrooned collar, leading to the triform base, similarly beaded which leads to finely carved Gillows "Rigby" feet and the original castors within. 46ins (117cms) wide. ***The quality of the carving is exceptional, and almost certainly carried out by Gillows' most famous carver, John Rigby
