A concept worldwide Jozef De Coene lived from 1875 to 1950 and was a master in the production of classy furniture. He was also recognized throughout the world as an exceptional manufacturer. The Kortrijk furniture grew into a household name thanks to a mix of exceptional design and quality. A typical feature of the Belgian furniture production was that furniture was produced in the style of the time, but that an important production in the neo-European styles was always maintained. The furniture producers such as Jozef De Coene were so good that for...
