Description

Pretty set of silver gilt demitasse coffee or teaspoons with guilloche enamel handles front and back in a rainbow or harlequin set of colours, red, yellow, pale green, jade green, sky blue and royal blue. Fitted in a velvet and silk lined leather case. Hallmarked for Birmingham 1957/1958, maker Adie Brothers Ltd. They measure 9.5cm (3 3/4") long and weigh 65g / 2.1ozt. Condition is very good. There is a very small loss to the jade green enamel on the back and at the very tip towards the spoon which is barely noticeable and as I say it is on the reverse. There is a small dark mark on the pale green enamel in much the same place. This is not damage, just a few dark spots that seem trapped in the glaze. Otherwise, surface wear is very light to both enamel and the gilding. A lovely set, ready to use.
