Description

A superb Victorian blue cut glass scent bottle with solid silver top and collar. The bottle is excellent quality with an ornate top, star-cut base and its original ground stopper. The collar is hallmarked for Charles May, Birmingham, 1900. It is in very good condition for its age. There is a small dent in the silver top and some general signs of age and use but there are no cracks or major damages to the glass, just some minor small surface nibbles. It has been cleaned and the silver gently polished and overall it displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK delivery £5. Worldwide delivery £20.
