Description

A superb antique emerald green cut glass scent bottle with solid silver top and collar. The bottle is excellent quality with an ornate top and threaded collar. The collar is hallmarked for the maker 'S&Co' although the year and city marks have rubbed. It is in very good condition for its age. There are some small dinks in the silver collar and some general signs of age and use but nothing detrimental. There are no cracks or major damages to the glass, just some minor small surface nibbles. It has been cleaned and the silver gently polished and overall it displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK delivery £5, rest of the world £20.
