Description

A superb Edwardian green glass scent bottle with solid silver top. The bottle is good quality with an ornate top and threaded collar. The top is clearly hallmarked for G.E.Walton & Co, Birmingham, 1904. It is in very good condition for its age. There are some small dinks in the silver and a small mark on the thread but nothing detrimental. There are some natural bubbles and imperfections in the glass but no cracks or damages. It has been cleaned and the silver gently polished and overall it displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK delivery £5, rest of the world £20.
