Description

A nice example of an antique solid silver hat pin stand with a blue velvet cushion on a turned wooden base. It is stylish and good quality with a shell shaped finial and ornate diamond shaped stands with four ring hooks. It is clearly hallmarked for Birmingham, 1907. The makers mark is rubbed, it could be C&N for Crisford & Norris but I can't be sure. It is in good condition for its age. There are some small dinks around the silver base and some faint surface marks and minor signs of age and use but nothing detrimental. It has been gently cleaned and polished and displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK delivery £5, rest of the world £20.
