Description

Antique Edwardian mahogany Davenport with fine satinwood inlay in great condition throughout. It has a gallery back flip up compartment for pens, etc, with various compartments. There is a faded green leather writing surface, that opens up to reveal more storage space. There is also a cupboard below this, which we lost the key for when photographing it, so we can't show you the inside of this. We will provide a key to open this cupboard before sending it out. This davenport sits on casters & the back of this piece is polished too, so it looks great from all angles. It's a very compact piece of furniture & very useful too. It dates to around the 1890-1910 period. Width – 20.5?, 52 cm Depth – 17.3?, 44 cm Height – 33?, 84 cm Knee height – 23.6?, 60 cm
