Description

Early 19th century solid mahogany campaign chest of drawers in excellent original condition. The mahogany has some lovely patterned grains, a good patina, a warm original colour & loads of character. It has brass corner fittings & sunken military handles which are naturally aged. The drawers which are graduated in depth, have fine dovetails & locks. This chest is also free from warps or splits. I would date it to around the 1810-30's period. Width - 42 inches, 107 cm Depth - 21 inches, 54 cm Height - 37 inches, 93 cm
