Description

A 1930s Swiss Tivoli pocket watch and chain. The watch has a nice quality Swiss 15-jewel stem-winding movement which is working nicely. The watch measures 50.7mm diameter excluding the winding stem and the loop. It has a good quality gold plated case stamped eclipse. The case has light surface marking from use but overall it is in nice condition. The acrylic lens is in good condition. The dial is signed Tivoli and is in nice condition. The watch has its original blued steel hands. The watch comes on a decorative single albert with tassel fob, 21cm long including the T bar and clasp. The watch and chain will be sent in a new presentation box.
