**Date of manufacture: Edwardian**

### Dimensions

Height = 41 cm (16.1")

Width = 3.5 cm (1.4")

Depth = 3.5 cm (1.4")

## Description

An incredible find! A wonderful example of an early 20th century rarely-seen truncheon with a built-in whistle. This beautiful, tactile piece is in solid rosewood and has a fully operational whistle that is seriously loud! It is embossed with the maker's name at one end, and has a registration number showing it was manufactured in c.1913 in England.

Internal Ref: K648
