Description

Unusual pair of antique wine tables with a combination of brass & mahogany. They have mahogany tops surrounded by brass galleries & brass fluted pedestals that sit on mahogany platforms with brass legs. They are in good original condition & I would date them to around the 1910-20's period. The mahogany has just been French polished & the brass work slightly cleaned. There is a bit of ageing showing on some of the brass work, which I don't really want to touch. Width – 14 inches, 36 cm Depth – 14 inches, 36 cm Height – 19 inches, 49 cm
