Description

A fine porcelain scent bottle shaped and decorated as a speckled bird's egg, with a solid sterling silver screw top and collar clearly hallmarked for Sampson Mordan & Co, London, 1886. On the base is the registration number "20772" assigned to James Macintyre, Washington China Works, Burslem. It is very small and measures approximately 1 1/4" (3.5cm) long x 3/4" (2cm) wide. It is in very good condition. There is no damage to the egg. There are some minor surface marks and small dinks to the silver top but nothing detrimental and it displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK delivery £5, rest of the world £20.
