Description

Impressive & rare pair of Swedish Biedermeier satin birch open bookcases in excellent original condition & dating from the late 19th century. I don't really want to split them up, because it's so hard to find a pair. Please enlarge all the images to see the beautiful grain of wood. There is some fine ebony inlay on the top sections. These bookcases are quite large, so please check the measurements. They have three shelves on each & the insides are polished too. Width – 66 inches, 167 cm Depth – 11 inches, 28 cm Height – 60 inches, 153 cm
