Description

Antique Victorian mahogany chest of drawers in good original condition & with plenty of character. These chests are always very popular because they have so much storage with no waste of space. This one has a solid mahogany top, rounded corners, turned bun handles & locks on all the drawers which are graduated in depth. The bottom drawer is attached to the plinth base, which gives it even more depth. It also sits on flat bun feet. I would date this chest to around the 1860-80's period. Width – 41 inches, 104 cm Depth – 19 inches, 48 cm Height – 41 inches, 104 cm
