Description

Pair of fine George IV period ormolu lights in the form of richly-cast stylised dolphins supporting a leafy calyx and a campana scone, hung with pendant lustres; on black marble bases. Circa 1825 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November.
