Width = 71 cm (28.0")

Depth = 1 cm (0.4")

Description

Totally untouched, in a 'just taken down' condition, this original enamel 'Horsham' target station sign epitomises rail travel in the first half of the 20th Century. This sign came from an elderly client whose lifetime's passion was finding interesting items of local interest from the Horsham area, in West Sussex - we were privileged to be invited to view this amazing collection and purchase a few pieces.
