Description

Lovely pair of classical paint and brass table lamps, nice condition and they have been rewired using a gold braided cord flex. The paint finish is an off white or ivory tone and the brass has cleaned well, but without going to bright, so they are both clean, but retain their age. I have shown them with an example pair of 18" diameter duck egg blue silk pleated shades, they are just to give you a proportion and not included in the price shown. The pair are priced together and includes FREE delivery within the UK for the lamps only. Measuring: 32 1/4" or 82cm to top of example shade 22" or 56cm to bulb holder 6 1/2" or 16.5cm diameter base
