Description

Superbly stylish 1930's Art Deco matching pair of bedside cabinet tables. Wonderful blonde birds eye maple veneers with a beautiful walnut handles. You can sense the quality in these cabinets immediately, from the timbers used to the fine detailing of craftsmanship in their construction. Both cabinets are reasonably weighty and in turn are very sturdy and feel robust. Three curvaceous drawers which have a slight rounded edges feel are generously sized to house all your needs. Each drawer has it's original handle and opens and closes smoothly and without effort. These cabinets would of likely been part of a larger unit as there are some colour variations on the side - see pics. Condition is very good both cabinets have been professionally restored.
