Description

Large antique 1892 Waltham pocket watch & chain. The watch has a stem-winding lever set movement, grade No 1, which is working nicely. The movement is fully signed and has the serial number 5668281 which dates it back to between September and December 1892. The watch itself measures 58.5mm diameter excluding the winding stem and the loop. The case is nickel. The case has a screw on front and back. The case is in nice condition with only light surface marking from use. The nicely engraved case back has a picture of a chapel in the centre. The acrylic lens is in nice condition. The dial is signed Waltham and is in nice condition with only a couple of light surface scratches. The watch has blued steel hands. The watch comes on a vintage Albert chain which measures 32 cm including the T bar and clasp. The watch will be sent in a new presentation box.
