## Description

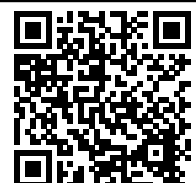

Outstanding Omega solid 9ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 285 manual winding movement. Everything about this watch is original, only the glass has been replaced. This is a rare model having the diamond bright cut dial which really catches the light and shimmers, it has not been retouched or restored in any way. It has gilt hands and baton markers and also the Omega symbol on the crown. The case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. The case is fully hallmarked. It comes complete with a new premium quality black leather strap and presentation box to keep your watch in perfect condition. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn.
