Description

Good quality antique French walnut nest of four tables with inset woods on the tops which give off a striking pattern. I believe the woods inset on the tops are walnut & rosewood, however there could be other woods too. This nest is in excellent original condition & dates to around the 1890-1900 period. They are very well constructed & are free from splits or warps. The three larger tables have stretchers across the backs & the smallest table has a cross stretcher in the middle. Width – 22 inches, 56 cm Depth – 15 inches, 38 cm Height – 28 inches, 72 cm
