Description

A superb Edwardian porcelain scent bottle with a solid silver threaded top. The bottle is good quality with attractive hand painted decoration depicting a young dutch couple. The top is clearly hallmarked for Schindler & Co, Birmingham, 1904. It is in very good condition for its age. There are some small dinks and dents in the silver top and some general signs of age and use but nothing detrimental. There are no cracks or damages to the bottle, just a few small nibbles around the collar. The bottle has been cleaned and the silver gently polished and overall it displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £5, rest of the world £15.
