Description

A superb Victorian bohemian blue glass scent bottle with gilt decoration. The bottle is good quality with its original gilded stopper with ground end. It is in good condition for its age. There is some rubbing and losses to the gilding, particularly on the stopper, but no major cracks or damages to the glass and it displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £5, rest of the world £15.
