Description

A fine example of a pair of solid Sterling Silver marrow scoops. They are stylish and good quality with an armorial crest on the handles and a combined weight of approximately 70g. They are both clearly hallmarked for Atkin Brothers, Sheffield, 1913. They are in good condition for their age. There are no major damages and they display beautifully. There are some faint surface marks and some minor dings commensurate with age but nothing detrimental. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. UK Delivery £5, rest of the world £20.
