Description

Very impressive pair of antique French neoclassical side tables with faux marble tops & gilt metal mounts on cream coloured bases. They are very unusual & I've never come across anything like them. The gilt mounts are all around the middle sections & the bases. The faux marble tops are also surrounded by a gilt metal gallery. Not sure about exact age, but I would hazard a guess at around the 1920-30's period. They would make an interesting pair of side tables in the right setting. Width – 26 inches, 66 cm Depth – 24 inches, 61 cm Height – 19 inches, 47 cm
