Description

A handsome late Victorian naturalistic toast rack, which would look equally at home desk-top to organise letters, receipts, notes and business cards. Created in the form of a leaf, it is lucky enough to have an English design registration number, 188700, allowing us to date it accurately to 1892, late Victorian in era. The underside is fully marked by the highly sought-after silversmith, Hukin and Heath. Excellent condition measuring 7" x 5" x 3 1/2".
