Description

1920s Dollar gun metal pocket watch from Edouard Kummer. The watch has a stem-winding movement which is working nicely. The movement has the Dollar logo which was registered by Edouard Kummer in 1922. The movement is protected by an inner hinged cover. The watch measures 48mm diameter excluding the winding stem and the loop. The case is gun metal with rose gold highlights. The acrylic lens is in good condition. The signed dial has a charming appearance with Breguet style hands, a subsidiary seconds dial and inner 24 hour numbers. There is a short hairline between 11 and 12 but it is faint. The watch comes with a double albert with each chain measuring 21cm long including the T-bar and the clasp. There is also a silver and enamel 1940s fob, Tipton Boys Football League. The watch and chain will be sent in a new presentation box.
