Antique Leather Cased Miniature Playing Cards

Price

Sold**Item Reference: SA66156****Date of manufacture: 1900**

Description

A delightful little German boxed set of miniature playing cards, each card measuring 2 5/8" x 1 3/4". The box is covered in a burgundy coloured leather case with two gold embossed stars which are placed to line up the top and bottom. The underside of the box is printed in gold by what I would guess to be the retailer, F. H. Haupt, Hamburg. When opened, the absolutely charming cards are revealed, the matching decks (one blue set and one pink set) with a pair of birds sitting in a blossoming tree. Both packs are marked Deutsches Reich / Funfzig PE. The cards are complete. Excellent condition with usual minor wear to box, measuring 3" tall x 2" wide x 1 3/4" deep. Item ID: 30566 ----- FREE Worldwide Registered Airmail, Insurance Optional.
