Description

Large antique deep buttoned leather wing armchair in great condition, with loads of character & a lovely original colour. This chair is very comfortable, with good back & head support. It has a high hump back, with deep shaped out wings, deep buttoned all over the inside & hand tacked on to the frame. All the leather is original & has just been revived & professionally polished, while still retaining a naturally aged look. The legs are solid mahogany with cross stretchers that help keep the frame sturdy. I would date this armchair to around the 1920-30's period & it's very much Chippendale style. Width - 35 inches, 89 cm Depth - 30 inches, 76 cm Height - 45 inches, 115 cm Seat height - 18 inches, 46 cm
