Description

Antique 1895 Waltham stem winding pocket watch. The watch has a stem-winding movement, grade 20, which is working nicely. The movement is fully signed and the serial number 6487094 which dates it back to between January and April 1895. The movement is protected by an inner hinged cover. The watch measures 50.7mm diameter excluding the winding stem and the crown. The case is 14 ct gold filled and was made by the Dennison Watch Case Company who made the majority of the cases for Waltham UK. The case is in nice condition with only a mild bruise to the back edge. The glass lens is in nice condition. The signed white enamel dial is in nice condition. The watch has its original gold hands and a blued steel sub seconds hand. The watch will be sent in a new presentation box.
