Description

Elegant late Victorian English oak bookcase with a beautifully narrow profile — ideal for modern homes where space and style matter equally. Crafted in the late 19th century, this tall antique cabinet features glazed sliding doors above and enclosed cupboard storage below, combining practicality with understated period character. The rich oak grain, warm tone and clean proportions allow it to sit effortlessly alongside both contemporary and traditional interiors. The upper section offers four display shelves, perfect for books, ceramics, glassware or collected objects, while the lower cupboard includes three further shelves for practical hidden storage. A timeless piece that brings warmth, depth and quiet craftsmanship to a room without overpowering the space. Details Late Victorian English oak Glazed sliding doors Four upper display shelves Three internal cupboard shelves Tall, narrow proportions Ideal for living rooms, dining rooms or studies
