Description

Attractive antique small Victorian pine washstand. A lovely small Victorian pine washstand. We date this washstand to the second half of the 19th century. The washstand sits on downward tapered turned legs. There is a gallery to the rear of the top surface which features a bank of art nouveau turquoise coloured tiles. There is a small drawer to the front of the washstand. The washstand has an overall height of 41" (104cm), a main top surface height of 30" (76cm), a width of 34.5" (88cm) and a depth of 20" (51cm). This attractive Victorian washstand remains in very good solid condition with only minor surface markings commensurate with age and usage. There are a few minor marks and indentations from past use. This remains a very stylish & elegant Victorian washstand, it will continue to provide sterling service for many years to come.
