Description

A Victorian period stick barometer. A rosewood case with an arched pediment. Ivorine dials, the top engraved 'Invented by P Christensen, West Cowes Isle of Wight'. A scale from 27 to 31" and a vernier scale slide. An original vernier adjuster knob. A mercury thermometer. Circa 1850. P Christensen is recorded in Banfields' 'Barometer Makers and Retailers' book as working from 1830-50. He is also noted as working in Newport, IOW. From Kembery Antique Clocks Ltd. you can expect a genuine antique barometer that is in full working order and sold with 12 months guarantee. Please contact us for delivery. If you have any questions regarding our clocks and barometers please call or email us and we will be happy to help.
