Description

Lovely original English late Victorian breakfront black lacquered breakfront credenza with marquetry and twist brass work and original glass to the centre door. Inlaid with burr walnut and boxwood. Good decorative piece of furniture and will work in both traditional and more contemporary interior styles. There is some polishing being done to the credenza, so I will add more images to update, but basically just the brass work will be polished up to its former glory. Internally, there are two shelf surfaces behind all three doors. Nice original and very honest piece of furniture. The previous owner purchased in Sotherby's in 1975 and has been in situ since then. Measuring: Length 151.5 cm / 59 1/2" (at base) Depth 36 cm / 14. 1/4" (at centre - 2" less at sides) Height 101 cm / 39 3/4".
